Memory Challenge

E.g. I went shopping and I bought... I went on holiday and I took... I went to the park and I saw...

Take turns to add to the list as well as remember what has already been said.

Try some of these activities when you're in a restaurant, stuck in traffic, in the park, at the supermarket...

Let's Dance

It you're somewhere where music is playing, take turns to name an action to do in time to it. Use words like 'up', 'down', 'fast', 'slow'.

Guess Who

Ask who your child thinks each item is for, or who does/doesn't like each item. Model their response and emphasis words like 'he', 'she' and 'they'. *E.g. Yes, he likes ice-cream; yes they need some more toothpaste.'*

Positions

Take turns to tell each other where to put something. Emphasise the position words. *E.g. next to the biscuits, in the cupboard, under the cushion, behind the chair.*

Remember...

If you are concerned about your child's speech and language development, you can talk to your Health Visitor or Children's centre staff.
